I

/Gm/Gm/Cm/Cm/Dm/Cm/Gm/Gm/

In my neighborhood
the dream's gone bad
there's so many things
we never had
take a look around
there's things I gotta say
these feelings inside
still won't go away

II

In the schoolyard kids
fight one another
even though they're taught
"Love your own brother"
cops on the street say
"It's no good"
in my neighborhood
in my neighborhood

III

Poor tenement houses
lots of parking lots
people say "Be thankful
for what you got"
minds that hate
"Buddy you'll have to wait"
in my neighborhood
in my neighborhood

BRIDGE

/C/C/Gm/Gm/C/C/D/D#D/

I used to dream
at night
I'd get even
someday
I'd even the score
I had fight back

for my freedom
so I wouldn't need
this neighborhood
no more

IV

Hot pillow scenes
low rent hotels
life is cheap
in cheap motels
but I come back
and I know what for
no matter what they say
it's still my home
no matter what they say
this neighborhood is home

VERSE

Guitar Solo

BRIDGE

VERSE

Poor dirty kids
suburban malls
my neighbourhood
can make you feel small
but I come back
and I know what for
no matter what they say
this neighborhood is home
no matter what they say
this neighborhood is home
